Miscellaneous

.....Ryan Chattin scored in every meet of each of his four seasons (1993-1996)—a record, so far, to which no other player, before or since, has come close.

.....Most Pars in one round: Jeff Page had 9 in a 9-hole meet at Sullivan in 1995.

.....Longest Sudden-Death Playoff: Ryan Deweese won a 6-hole playoff to win Warrior Invitational medalist honors in 1996.

.....Adam Worland shot 43 on the front nine at Country Oaks in the 2002 Blue Chip Tournament, and fired a 2-under par 34 on the back to receive medalist honors with a 77.

State Tournament at Prestwick

After winning overall medalist honors at the Regional as a freshman, Ryan Chattin became the first golfer in NK history to qualify for the state tournament. In 1994, he and the entire team qualified. He again qualified as an individual as a junior, made the cut for the second day of competition, and earned All-State honors. He narrowly missed going to state a fourth year, losing a sudden-death match.

Note: NKHS is not in the possession of any scorebook prior to 1974. However, stroke play has been used exclusively since the 1975 season, and these records are based on that set of rules. Match play was widely—perhaps exclusively—used from 1964-1974; this makes 1975-to-the-present the best years for comparison. But if anyone has documented scores from '64-'73 they are willing to provide us, it would be greatly appreciated. Thank you. JMc
